A Commitment to Improve Project Management skills

MPROi is certified by MMBDC – (Michigan Minority Business Development Council).

We Improve Your Management Skills

MPROi, is a network of Project Management professionals providing a comprehensive set of **services** in the areas of **Enterprise Project Management**, PMO, Business Process Development, IT Audits, Infrastructure Management, **Applications Development**, and **Industry standards Training**.

MPROi is an approved “Global registered education provider of PMI®.” We have conducted several corporate and public training programs in PMI® PMP exam prep, ITIL Foundation exam prep, OPM3, Six Sigma, Business Analysis, Microsoft products –MS Projects, EPM, Project Server, Portfolio Management and ERP-SAP. “We practice what we preach;” as that helps our students understand the concepts faster and easier to pass exams and also to apply them on real time projects.

Message from MPROi Team

We invite you to join MPROi, a global network of 100s of professional students who have successfully completed the journey of learning and accomplishment. As a student at MPROi, you will receive a professional education in the field of Project management and IT Infrastructure management and we guarantee that we deliver the course contents as mentioned in the catalog and course material. Our Instructors are certified and are engaged in professional services in their respective field. We prepare you for employment upon successful completion of our training programs and assist you in preparing a professional resume, mock Interviews, leads to apply for jobs etc...

We are committed to improving project management and infrastructure management skills. Our professional training programs include but not limited to PMI®-PMP exam prep, ITIL Foundation Exam prep, Six Sigma, PMI®-OPM3, SAP, PMO, CMMI, and other such Industry standard programs. Please contact us to assist you in designing a suitable program for you based on your qualification and work experience.

Wishing you all the very best and success, *MPROi TEAM*

MPROi Goals and Objectives

Goals: To provide and improve Project Management skills through innovative methods and techniques.

Objectives: To introduce best practices and standards through professional training.
To implement a process of “continuous improvement” in the field of “Project Management” that would help and assist Project Professionals to successfully complete their assignments of State, Federal or any other National or International Organization.

We Improve Your Management Skills

Enrollment and Entrance Requirements

Entrance Requirement Policy: Students must be 18 years of age or older and who benefit from the training programs to improve Project Management and IT skills/knowledge and for career development and employment opportunities. Students should meet specific educational and work experience requirements as detailed in the Training Program as a part of enrollment and Registration Process.

Enrollment: MPROi Training Programs are taught in Modules as well as in Scheduled Batches. For Programs that are Module based enrollment is continuous and for Scheduled Programs, students are allowed to enroll as per announced schedule or earlier. For more information regarding Enrollment please visit our website or call our Program Administration staff to assist you.

MPROi reserves the right to change the contents of the enrollment details including training programs, program contents, course fee and schedule due to change in policies, change in business needs, change in industry standards, change in software versions from Software Companies like Oracle, Microsoft, upgrade required to course material, etc... In addition, some programs that are offered may have to be cancelled due to insufficient enrollment, elimination of programs due to migration to new versions, or for any other reason as per MPROi Management's decision. A new contract will be signed by both the student and the school if any changes occur once a contract has been signed. If programs are cancelled due to insufficient enrollment all tuition and fees paid by any students will be returned.

Attendance Policies.

100% Attendance and completion of course curriculum is crucial to successful completion of the programs and the issuance of a "Certificate of Completion". Students are allowed a maximum of 2 absences, exceeding which they will be suspended from the program. Students are required to plan make-up sessions with the respective instructors for each absence, or late attendance at no additional fee. Students who do not adhere to the policies regarding attendance, make-up sessions and completion of course curriculum within 60 days from the end date of the course, will not receive a certificate of completion.

Leave of Absences.

Students must Contact their Instructor or MPROi administrative office in advance to apply for leave of absence. All Leave of Absence must be approved by the Instructor and MPROi Director. Students with approved Leave of absence will be re-registered/transferred to a suitable upcoming or any future Program schedule as per MPROi managements decision. MPROi may or may not charge an additional fee depending on changes in the program structure or contents. Students who do not return from a leave of absence as per scheduled return date, will automatically be terminated from the Institute and the Program fee will not be reimbursed.

Absences.

Students who are absent without informing the Instructor or MPROi management for more than the specified days or hours for the registered Training Program, MPROi reserves the right to terminate the student and not issue a "Certificate of Completion".

We Improve Your Management Skills

Make-up Session.

Students must complete the make-up sessions as per Instructors advice and meet all of the clock hours and program requirements to receive a “Certificate of Completion”

Withdrawal from a Program or Course.

Withdrawal from a training program or a course should be in writing and should be addressed to MPROi Director and Instructor. Withdrawal through Email is not allowed. Withdrawal must be hand delivered or through certified mail. The date of receipt of the withdrawal document is considered as the official date to process the withdrawal and apply Refund Policy. (Please see Refund Policy for details).

Program Administration Policy.

MPROi does not discriminate students based on race, religion, disability, age, sex and national origin or any such basis.

MPROi’s training environment is free from distractions and provides a safe and secured learning infrastructure. However, MPROi is not responsible for the loss of or damage to student’s personal belongings. Toys, Games, Children, pets or other distractions are not allowed in the classroom. For medical emergencies, MPROi will notify authorized (911) officials and will not take any additional responsibility. MPROi will make its best efforts possible to provide required environment for students with disability, however, students should inform the administrative office of such requirements well in advance to be able to provide the necessary environment.

Program Retake Policy.

No student is allowed to retake the same program more than once and only one “certificate of completion” will be provided to the student per program. However, a student is allowed to retake the program at no additional fee only upon management’s approval. Retake will be due to an approved leave of absence, student in need for more explanation due to lack of experience or understanding the subject in the first set of sessions, or any such MPROi Management retake permission. MPROi reserves the right to schedule a retake program depending on the availability of seats, Instructors and other management priorities.

Professional Credits/Units Policy for certified PMPs only.

MPROi is approved by PMI® (Project Management Institute) as a “Registered Education Provider” (R.E.P) PMI®. As an R.E.P we are authorized to provide PDU units to our students for the courses they attend.

As per PMI®’s Policy of Continued certification, PMP certified individuals have to submit 60 PDUs once every 3 years to retain the certification. PMP certified Students attending our courses will have the additional benefit of obtaining PDUs equivalent to the clock hours of the course at no addition fee. One PDU is one clock hour of structured, logged learning.

We Improve Your Management Skills

Grading System and Reentrance Conditions:

MPROi issues a “Certification of Completion” for those who successfully complete the program and has no PASS/FAIL grading system.

100% Attendance and completion of course curriculum is crucial to successful completion of the programs and the issuance of a “Certificate of Completion”. Students are required to plan make-up sessions with the respective instructors for each absence, or late attendance at no additional fee. Students who do not adhere to the policies regarding attendance, make-up sessions and completion of course curriculum within 120 days of the end date of the course, will not receive a certificate of completion.

Rules of Student Code of Conduct and Conditions for Probation or Dismissal:

All students are expected to conduct themselves in an adult manner. Students who violate the above conditions or any violation of the Laws governed by Michigan state or Federal, will be dismissed from class and not readmitted, following which MPROi may inform the appropriate legal authorities for further action.

Dress Code - Business Casuals or a formal dress code is required. Student wearing clothes that are disruptive to other students will be asked to leave the class, resulting in an absence. The student has the option of returning to the class in proper attire, and the portion of the class missed cannot be made up at a later time.

Drug/Alcohol – Students are not permitted to attend class if they possess or have consumed drugs or alcohol.

Weapons - Students are not permitted to attend class while possessing any sort of weaponry. Upon discovery or use of a weapon, authorized officials will be notified; the student will be dismissed, and cannot enroll again.

Sexual Harassment - Students are not permitted to use sexually harassing language or behave in a sexually harassing manner. Upon notification or discovery of sexually abusive language or behavior, authorized officials will be alerted and proper action will be taken, and the abusive student will be dismissed from class and cannot enroll again.

Dismissal – MPROi reserves the right to terminate the student’s contract and dismiss the student if the student does not comply with the rules and regulations of MPROi. Re-admission is at the discretion of the MPROi Management. If students are dismissed no refunds of any kind will be given.

Tuition

MPROi Tuition is very reasonable and Tuition details for each Program/Course are provided in the Program overview/outline in this catalog. There are no other charges of any kind including laboratories, rentals etc. Please see refund policy for details. All Tuition fee must be paid by the students or the respective sponsor through Credit Cards, checks money orders, or Direct Deposits to banks.

We Improve Your Management Skills

Programs Offered

- **MPROi** Training programs are related to Project Management, Business Process Management and Information Technology. None of our programs are related to Medicine, clinical or Externship activities.
- MPROi Programs are related to learning and improving Business Project management, Process Management and IT Infrastructure management skills and Knowledge.
- Students are welcome to choose any combination of courses across programs. Students may opt for less or more number of clock hours depending on their previous experience, training and related books and material in the similar filed of courses below and the course fee will be calculated by the school/management accordingly. The course fee may also change based on customized training, location of training within Michigan or other states, travel, additional material, books etc. MPROi management is more than happy to provide free consulting services to assist students in deciding appropriate courses and clock hours that will help to plan their training requirements and career path to improve required knowledge and skills in the field of technology and management.

We Improve Your Management Skills

Credit Allowed for Previous Education and Training.

Since our training program is proprietary we require full attendance in order to complete the curriculum hence no credits are offered for course work completed out side of our class room.

Our Training programs do not require any credits from any of your previous Education or Training Programs.

Equipment Furnished by the MPROi.

MPROi training center provides all equipment and material necessary to complete the programs including Internet access, Computer access, Course material, Calculators and office stationery.

MPROi Training Programs do not require any Externship.

Placement Assistance:

MPROi is proud to be a trusted training and consulting services vendor to many Fortune 100 corporations as well as Federal, State and local government agencies throughout the US. During the course of these engagements we do/and have had the opportunity to identify job openings where we are successful able to place our graduating students that are seeking for employment. We continue these endeavors to assist our students whenever we are able to do so. While we make no guarantees, even in today's volatile job market (where employment opportunities are rare) we are often able to place people. We also provide our students free of charge resume writing counseling and job opportunity leads. Placement is not guaranteed.

Graduation Requirements and Certification of Completion.

MPROi will award a "Certification of Completion" to students ONLY upon successful completion of

- Enrollment and registration requirements including full payment of agreed course fee and
- attendance requirements including Clock hours required for each registered course
- and all of the assignments if any for each course
- and MPROi Classroom or On-line exams if required for each course.

Students unable to complete the above have to schedule an extended course program with their respective instructor and complete the above Graduation requirements before a "Certification of Completion" is awarded.

MPROi reserves the right not to provide certificates to students who have not met the above requirements and /or adhered to MPROi policies and code of conduct.

Types of Certificates Issued.

MPROi provides a "Certificate of Completion" for each Course upon successful completion of the course. Along with the "Certificate of completion" a detailed "Transcription" is issued to each student that includes details like, Name of the Student, Address, Course start date and end date, course details, clock hours completed, Grade (Pass/Fail), and signed by the Director and Instructor.

A sample copy of the "Certificate of completion" and Transcript is provided in the catalog.

COMPLAINTS:

Students who wish to file a complaint with the state of Michigan may do so at the link

www.michiganps.net

We Improve Your Management Skills

Refund Policy:

All refunds shall be returned within 30 days.

At MPROi we pride ourselves on not only the quality of education and training that we impart but also our 95% students passing rate on the certification exams. This success can be directly attributed to our;

- Instructor's industry experience,
- The real life example based class instruction methodology,
- The memory retention drills and exam question review processes,
- The accuracy of interpretation of the subject exams required knowledge content.

These are all captured in our highly coveted "Proprietary Training Course Materials" that are distributed to each student during class. For these reasons we do not sell our materials but rather license them to our "Course Registered Students" with the intent that they be only used for and by the same student and not be shared with any one via any means.

In light of the above MPROi operates on the following refund policy.

The tuition and fees paid by the applicant shall be refunded if the applicant is rejected by the school before enrollment. An application fee of not more than \$25.00 may be retained by the school if the application is denied. All tuition and fees paid by the applicant shall be refunded if requested within 3 business days after signing a contract with the school. All refunds shall be returned within 30 days. Once the 3 business days have elapsed the following policies will apply:

Refunds are pro-rated per the unused Contact Hours remaining to complete the course. In order to secure a full refund (less application fee of \$25.00) cancellation requests must be made three business days prior to the commencement of class. In order to secure a prorated refund all course material must be returned.

All refunds made in light of the above defined policies will be made "IN BY and TO the SOURCE OFF THE FUNDING USED TO MAKE THE PAYMENT".
